

# Inclusive playgrounds where **everyone can play**

# Inclusive Carousel

The Moduplay Inclusive Carousel offers equal play opportunities for children of all abilities.

The unique design of the **handrail arc** makes it easy for all children to access and egress without the locking mechanism often associated with accessible spinners.

**ALL-ACCESS CAROUSEL**

N-9070

Our comprehensive range of Inclusive Play products helps you to get the Best Possible Outcome with any inclusive play area.

## Bellerive Beach Park, TAS

The Moduplay SkyTower at this destination park in Hobart was specially customised to provide access for children in wheelchairs. The first level of play is fully accessible with compliant ramp access to an Inclusive Slide and other activities... allowing everyone to play.

**Every playground can be Inclusive so Everyone Can Play.** Playgrounds do so much to bind people and communities together. To truly provide a sense of belonging and place a playground needs to provide liberally for everybody that wants to play.

### PLAY VALUE

*We use Moduplay's expertise to turn something into a play experience.*

– Ian Brammer / Taylor Brammer  
Landscape Architects

*Every time Moduplay come and visit they have a new range, they keep reinventing their product.*

– Ian Jackson  
iScape

*We don't want to be [providing] specific equipment for disabled people, some of those things... make you stand out not blend in...we want to offer equal access... A good honest company with a diverse product range... always keen to accommodate new ideas.*

– Playground Coordinator  
Wollongong City Council, NSW
